Timeline

Cutover for CALSTARS Depts.

Key CALSTARS Processes for Conversion

- Do not post any claim schedule transactions in CALSTARS after the SCO cut-off date of 6/15 to eliminate the conversion of Claims-in-Process (GL 3020). After 6/15, departments may only record claim schedules with expedite payment processing to ensure payment by 6/30
- The General Cash Remittance In Transit (GL 1115) must have a zero balance by 6/30
- Departments must order the conversion files for cut over using the CALSTARS Menu G.2 with the following schedule:
 - First cut over conversion files – order CALSTARS data on 7/5/17 with a report date of 7/3/15. Review CALSTARS data and send to FI\$Cal on 7/5/17 at 5:00 PM.
 - Second cut over conversion files – order CALSTARS data on 7/13/17 with a report date of 7/12/17. Review CALSTARS data and send to FI\$Cal by 7/14/17 at 12:00 noon.

Cutover for CALSTARS Depts.

- Department must order a hard copy and/or dataset of the following CALSTARS reports:
 - D06 report - Document Report by Appropriation
 - D16 report - Document Report for SCO Reconciliation
 - B04 report - Detail Report of Appropriation Status
 - B06 report – Budget Report
 - P01 report – Year-To-Date Reportable Payment Report
- *NOTE: These CALSTARS reports must be ordered on July 13, 2017 with output destination of “N1”; report period option of “PM”*
 - Departments should close FM 12 by July 12, 2017 to avoid posting transactions after ordering conversion data
 - Departments cannot run YEC before 7/13/17 or G.2 file will not be good for extract purposes
 - After July 12, any adjustments to encumbrances or accounts receivable need to be posted in FM 13

Cutover for CALSTARS Depts.

- Any corrections to reconcile or adjustments must be recorded in FM 13 as accruals. The same correction should be recorded in FM01 in FI\$Cal except for reverting appropriations
- All transactions posted in FM 13 should have an auto-reverse batches
- All transactions recorded after the cut-over conversion of 7/12 necessary for FM 01 transactions must be manually posted into FI\$Cal

Post Implementation Support

- After Implementation, Department end users are supported by
 - Department Super Users
 - The FI\$Cal Service Center (FSC)
 - The Functional Services Office (FSO)
 - Department of Finance (DOF)

Super User Roles & Responsibilities

Super Users are the first line of response to support end users, answering questions as they come up and periodically checking in with assigned end users. Super Users are also encouraged to support issue resolution with the FI\$Cal Service Center (FSC) and Partner Agencies.

Support

- Answer end user questions
- Provide help navigating the system
- Analyze support issues
- Reinforce best practices and provide tip sheets
- Share project and system knowledge
- Help people stay positive

Look & Listen

- Actively listen and watch for key issues, concerns and frustrations
- Periodically check-in with end users to understand how they are doing

Share

- Escalate critical issues ASAP to FI\$Cal
- Cascade key messages from manager and FI\$Cal to end users
- Document and report volume of assistance provided to end users
- Log/assist with FSC Service Requests

Super User Town Hall Meetings

- Town hall meetings are every other month
- Interaction among Super Users
- Encourage table discussions
- Subject Matter Experts attend to discuss current topics
- Great networking opportunities

FSC – Structure and Services

FI\$Cal Service Center (FSC)

- Mission:
 - To serve the best interest of the State and its citizens by providing excellent support and services to the FI\$Cal customers.
- There are two Sections within the FSC
 - Customer Service & Analytics Section (FSC Level 1)
 - Business & Functional Services Section (FSC Level 2)

Customer Service & Analytics

Level 1: What we do....

- Your main point of contact for new issues and tickets
 - We will resolve the incident immediately if possible.
 - If we cannot, we perform the initial evaluation, triage and prioritization of incidents then route to the proper team(s)
- FSC Analytics and Reports
 - Daily, weekly, and monthly statistics, reports, and presentation decks
 - Analyze trends and triage critical issues

Contact Information

Email: fiscalservicecenter@fiscal.ca.gov

Business & Functional Services

Level 2: What we do...

- Your team of analysts providing functional support
 - We perform research of reported incident
 - We work with internal FI\$Cal service teams to determine if the system is functioning as designed, or to perform a fix to the system
 - If we determine that the request is not business function related, we triage with appropriate internal FI\$Cal service teams to resolve the incident
 - Keep open communication as we address your ticket
- Business Services
 - Assist with business services such as releasing vouchers within a stuck status
 - Collaborate with internal FI\$Cal service teams to address MEC/YEC related tickets

Functional Services Office (FSO)

FSO Module SMEs in the areas of Procurement (PO), Asset Management (AM), Accounts Payable (AP), Accounts Receivable (AR), Project Costing (PC), General Ledger (GL) will assist with the following Go Live and Post Go Live activities:

- Assist departments in validating conversion data and working to resolve kick outs
- Will lead the User Support Lab (USL) sessions (onsite) to answer questions to help departments transact
- Level 3 support of Incident tickets originating from FSC
- Corresponding with departments on the more technical transactional or processing questions.
